

Catawba Baptist Church Kidz Present

A Quizzical Christmas

Sunday, December 15th
10:30am

Thanks to each of you who have helped lead the children's musical, to the children who are singing, and to parents for bringing the children on Wednesday nights. The children meet in the fellowship hall on Wednesday nights at 6:00 pm to have a great time learning about God's Word and missions, along with enjoying games and music and a snack. This Wednesday they will be having their Christmas Party and all children are welcome to attend, It will be special! And all parents are welcome to join the young adults in the gym for fun, food, and Bible Study. Look forward to seeing you this Wednesday!

The Christmas Season is always busy. The danger we all face is neglecting those things which are most important. Jesus indicated that relationships are the number one priority, loving the Lord wholeheartedly and loving each other. Let's make time to do just that during the last few weeks of 2024!
