

I am grateful for a new day, a new week, a new month, a new year. Time seems to pass quickly and we are encouraged by Paul in Eph. 5:15-17 to make the most of it, to walk wisely, to redeem the time.

I would encourage you to focus on prayer this year. In 1 Thess. 5:17, Paul says "pray without ceasing." Prayer makes a difference in our circumstances, but more than that prayer makes a difference in us. If you want to receive prayer emails this year mark your info card or email prayer@catawbalive.com.

I would also encourage you to concentrate on the word of God. Paul indicated in 2 Tim. 3:16, "All scripture is given by inspiration of God, and is profitable...." Spending time in the Bible every day can change our lives.

Let's focus on prayer and God's word this year and trust God to do "great and mighty things".

-Pastor Ron

Spreading Feathers Ministry

If you were at the ladies dinner, you heard a little bit about the ministry "Spreading Feathers".

Angela Robinson and her husband make chemo bags to give to cancer patients. Angela is a cancer survivor and also is still walking that journey. She has an amazing testimony. The supply list is on the mission table and items are due by February 2. There is a marked container in the hallway by the choir room.

Also, the Faith Group would like to invite ladies to join us at 6:30 in the fellowship hall on Tuesday, January 14 at 6:30pm to hear Angela speak.
