

Life is full of uncertainty. As I write this article on Thursday it seems like snow is probable and with the potential of ice we might not even gather together for worship on Sunday. But God knows! He knew what would transpire in 2024. He knows what will happen during 2025. He knows how much snow and ice we will get Friday and Saturday. He knows how many hairs we have on our heads. He is omniscient. all knowing. He is omnipresent, everywhere. He is also omnipotent, all powerful. He has perfect love as well. According to Rom. 8:32, if He "did not spare His own Son, but delivered Him up for us all, how shall He not with Him also freely give us all things?" We can trust Him to do what is best and we do not have to worry about tomorrow (Mt. 6:34).

As we celebrate the Lord's Supper today, we remember that Jesus' body was broken and His blood shed so that we can be reconciled to God and experience everlasting and abundant life. We have a lot for which to be thankful!
