

THE COMING GOLDEN AGE

You've heard of the Rapture. And you've probably heard something about the seven-year Tribulation period that follows. But what do you know about the Millennium, a thousand-year reign of Christ on earth? More Scripture addresses the Millennium than any other prophetic event in the Bible. Much of its description is found in the books of the major and minor prophets of the Old Testament, but as believers, it demands our attention for we will experience this glorious promise as God restores life to the way He intended it to be in the beginning. Join us as we get a deeper understanding of Biblical prophecy. Your faith will be strengthened, and you will begin to anticipate Christ's reign on earth like never before.

This six-week study begins Wednesday, April 2, 10:30AM in the Fellowship Hall and 6:15PM in the Chapel.

Booths for the Easter Celebration

The Mission Team is working with Michelle to provide "booths" of activities during the Easter event on April 11. We are asking groups, LIFE Groups, families, and individuals to participate in making an evangelistic impact on our community. If you are not interested in a booth, perhaps you might want to help hide eggs or stuff the eggs ahead of time if needed. Please pray expecting God to work in a big way! (The Mission team will help with resources if needed.) Please contact Donna Strickland or Michelle. Thank you!
